Giving Thanks

Thank you, Thank you.
Thank you
Mother Earth
We thank you.

Thank you Mother Earth
For all you give
Thank you.

Thank you for the water
Beautiful and clear
Thank you for the water
Quenching thirst; healing
Cleansing; nourishing soul too.

Thank you, thank you,
Thank you
Mother Earth
Beautiful you.

Thank you Mother Earth
Thank you Mother Earth
Thank you, thank you.

Grain and leaf, root
Food from which to feed ourselves
Nourishing, growing our bodies.

Thank you, thank you
Thank you
Mother Earth
For all you give so true.

Selfless you are
Giving to us everyway
Clothing us, sheltering us
Trees whose limbs and leaves
Reach to cover us
Standing tall and beautiful
Thank you.

Birds sing
Frogs croak; insects on the wing
Horse and cow and dog
Our life is full and rich
Because of you.

Thank you Mother Earth
Thank you Mother Earth
Thank you, thank you.

We love and cherish you
We love and cherish you
We're sorry for our forgetting
To give our love to you.

Let us show you how
We also care for you
We love you
And we give back to you.

We will share of ourselves
And give our efforts too
Thank you Mother Earth
Thank you.

If we listen,
If we let you.
We can be held,
And love and flourish too.

Thank you Mother Earth
Thank you
Thank you
for all you give so true.
